.....RESPONDENTS

JUDGMENT: (Per Hon'ble Sri Bilal Nazki, The Acting Chief Justice)

Writ Petitioners-respondents herein filed the writ petition seeking a direction that the appellants-respondents in the writ petition should not erect an electric sub-station on a piece of land owned by them. The learned single Judge gave certain directions of which the appellants are aggrieved. They submit that in a piece of land, which measures 30 acres, admittedly 17 acres belong to the Government. Out of these 17 acres, 2 acres have been allotted to the appellants-Corporation for erection of the electric sub-station and they are not going to use the petitioner's land. They further submit that they will only use the land, which has been allotted to them and which belongs to the Government.

With this assurance, we do not think any further directions are needed to be given. Writ Appeal is disposed of and the order of the learned single Judge is, accordingly, modified. No costs.
